Product Specification Sheet

Targus Netbook Chill Mat™

Part #: AWE39US

Product Description:

The Targus Netbook Chill Mat features two fans that generate cool air to keep the netbook running efficiently and to help prevent overheating. The Chill Mat can be also used in the office to protect furniture from heat damage, or on the go to protect your lap from heat. Rubber grips keep your netbook in place to provide a sturdy workspace. The device plugs directly into the USB port so no additional power is required.

Product Features and Specifications:

- **Maximum Cooling** - Two fans maximize netbook performance and help prevent overheating; protects lap and workspace surfaces from heat
- **Heat Protection** - Rubber grips hold netbook in place; Chill Mat protects your lap or workspace
- **USB Powered** - Powered through the USB port; no AC adapter required
- **RoHS Compliant** - Yes
